

BLACK GROVE, INC.

BLACK GROVE is not a place. It is an idea. The three trees of BLACK GROVE represent new thinking, a new conscience, a vision of a new America. BLACK GROVE is an idea aching to actualize itself. It is an idea of people relating to each other with understanding and respect. BLACK GROVE believes in one man, one woman, one child, one world. With your help we can create a model community for planet earth.
